At the last public forum in September 2009 you said there's more that could be done in the north-west corner of Docklands – Waterfront City Piazza, Docklands Drive and the proposed park area west of NewQuay could become a hub for recreation, entertainment and

community living. But what do you think of the ideas on the table? What do you want to see in this area?

The City of Melbourne and VicUrban invite you to come and participate in a discussion about enhancing north-west Docklands

SALVO'S CHRISTMAS DAY BRUNCH

In the fifth annual Salvation Army Christmas Day Brunch, Mecca Bah restaurant will host around 100 Salvation Army Clients for a special Christmas Day Brunch. Those who will be attending are frequent users of the Salvation Army's services throughout the year and are some of the most marginalised people in Melbourne.

The Mecca Bah Chefs are eager to provide a truly hearty meal to make it

a memorable event for all guests. "It's great for the Mecca Bah kitchen team to work together and give to people in need. We really do look forward to helping out every year." Justin Cortellino, Head Chef.

Celebrities & politicians volunteer for this annual event and contribute their time by driving guests from the Salvation Army on Bourke Street to Mecca Bah, and spending time speaking

with those in need of a listening ear. Lord Mayor Robert Doyle is a regular supporter of this event, however, due to many commitments we cannot confirm his attendance yet on whether he will be able to support this year's event.

Mecca Bah will be open the general public for Christmas Day Lunch from **1.30pm www.meccabah.com.au**
